ELS Language Centres Placement Test Score Report

Name of Candidate: MOHAMED KHAMIL SHATTI ABDELAZIZ

Student No.: P2020SJ00140

Centre	ELS SUBANG JAYA
Verified by	JAGJET KAUR
Test date	27-02-2020

Skill Tested		Level
Part 1	Listening, Structure and Vocabulary	102
Part 2	Writing	101
Part 3	Oral	102
Overall English Proficiency Level		101

Score Description:

100	Can respond with only one or two words to basic questions about self and family. Cannot understand and/or does not have the vocabulary to respond to the majority of the questions. Writing is very short/not enough to evaluate/does not respond to subject matter. Consists of disjointed sentences which display little grammatical control, if any. Too many errors in spelling, punctuation, capitalization.
101- 102	Able to communicate simple commands and greetings. Can ask and respond to simple questions for basic information about self, family and daily activities although fluency and accuracy is very limited. Sometimes questions have to be repeated. Writing displays limited development of topic, very limited vocabulary with poor choice of words or word form. Frequent errors in use of basic word order, simple tenses, pronouns, number, spelling and punctuation. Sentence fragments evident.
103- 104	Can participate in simple conversation about daily routine or topics of common interest at superficial level. Makes simple responses. Fluency is more evident but displays underdeveloped vocabulary or inaccurate grammar. Can write simple descriptive/narrative paragraphs based on models. Little use of transition phrases between sentences or paragraphs. Has better control of basic sentence patterns and basic tenses but grammatical accuracy is still wanting. Spelling and punctuation errors can still distract.
105- 106	Can engage in conversation at normal speed. Can comprehend most of what is said or heard. May seem fluent but instances of inaccurate grammar occur especially with more complex forms. Writing displays use of simple and complex structure, but with frequent errors in the latter. Topic development is evident but lacks details or focus. Some use of transitional phrases between sentences and paragraphs evident. Occasional errors in spelling and punctuation, but meaning is not obscured.
107- 108	Can understand and communicate ideas and details in conversation and presentations in social and work situations. Can extend conversations by asking questions for information or clarification. Use of idiomatic expressions evident. Uses intonation and stress appropriately in most situations. Writing displays topic development but may lack complexity. Use of transitional phrases between sentences and paragraphs occasionally effective. Simple and complex sentence structures are used with adequate control. Vocabulary is more or less effective but may lack variety.
109	Can express and/or explain opinions with sufficient ease. Is able to elaborate on almost all questions. Few errors in grammar, pronunciation, intonation. Strong use of non-verbal strategies, e/g body language/eye contact or conversation techniques. Writing displays clearly stated ideas and logical sequencing. Wide range of simple and complex structures used with good control. Word choice and form is varied and appropriate. No distracting errors in spelling and punctuation.
